## GENERAL OR FOCUSED WATER-WISE BUSINESS SURVEY

A general Water-Wise Business Survey includes a review of indoor water use, identification of ways to save water, and a cost analysis of suggested enhancements. Recommendations as to how to achieve water use efficiencies at your facility and a cost analysis will be provided in report form.

If you would like a more focused Water-Wise Business Survey that includes a review of specific areas of your business or facility where water is consumed, please identify the areas you would like to focus on while we are at your site:

### Food / Hotel Service Equipment

- ☐ Ice-Making Machine(s)
- ☐ Connectionless Food Steamer

### Lavatory Devices

- ☐ Toilets / Urinals

### HVAC Equipment

- ☐ pH Controller
- ☐ Conductivity Controller

### Other
